

My kitchen cabinets were sound but old and needed a face-lift; however the budget didn't stretch to a brand new kitchen. Liquid Granite came to the rescue and I am overwhelmed with the results – a complete overhaul for a fraction of the price of a new kitchen. I have absolutely no hesitation whatsoever in recommending their professional yet personal services to anyone – nothing was too difficult for this team. My new kitchen is beyond expectations and admired by all who have seen it.

A handwritten signature in blue ink, consisting of several loops and a long horizontal stroke extending to the right.
